Sub: HPFS Project - Printing of HEAL codes in transport permit -Reg.
Ref: Cr.No.LC-II/137/2015/CPE (T)/Ex dated 22-01-2015.

The Commissioner of Prohibition & Excise, Telangana vide ref. cited requested the Managing Director, TSBCL to inform all the IML depots that HPFS application would be printing only RANGE of the HEAL codes (min & max) associated with Transport Permit (TP) in place of HEAL codes on the reverse side of TP at Distilleries in order to save cost pertaining to printer cartridge, stationery (which otherwise would waste print duration, considerable revenue and stationery) to Distilleries but also the time associated with printing such huge SH code data. And also a copy of this approval be sent to the Chief Manager (s) / Manager (s) of their respective depots for their information to bridge the communication gaps.

Hence all the Chief Manager (s) / Manager (s) are hereby directed to note the above and accept the IMFL & FL stocks as and when received under TPs / IPs with HPFS application. A copy of the letter cited at ref. is enclosed.

General Manager (Ex)

Encl: As stated.

To:

All the Chief Manager (s) / Manager (s) of IMFL depots of Telangana State.

Copy submitted to the Commissioner of Prohibition & Excise, Telangana for information.
