Lr. No. TSBCL/MIS/VDC/2016-17/

Dt. 01.12.2016

// CIRCULAR NO : 106 //

Sub : Establishing LIVE Vide Conference facility(VDC) at
IMFL Depots and Corporate office – Installation of
Hardware & Software – Orders issued – Reg.

The attention of Chief Managers / Managers is invited to the subject cited above. The Managing Director desired to establish a Video Conference facility between Corporate office and all IMFL Depots in the state. The Corporate office has placed Purchase Order with M/s Computer India, Hyd to install VDC at IMFL Depots and Corporate office. The Camera cost and Installation cost details are hereunder.

Sno	Logitech BCC 950 conference Camera with built in Microphone and Speakers cost.(1 No.)	Installation of Camera and Software setup in (2) Two Desktops Charges.	Total Cost in Rs.(Inclusive of Taxes)
1.	Rs. 14,950	Rs. 2,000	Rs. 16,950

The Chief Managers / Managers may note that the payments will be made by the Corporate office,TSBCL to M/s Computer India,Hyd.

To establish the VDC at IMFL Depots, the following Hardware / Software needs to be installed –

- Hardware :** - The Depots shall make use of the existing Desktops for VDC. One Camera (Logitech BCC 950 conference Camera with built in Microphone and Speakers) will be installed by M/s Computer India, Hyd.
- Software :** Free Software App "VidyoDesktop" is available at NIC portal www.webvc.nic.in The Depots shall download the software.

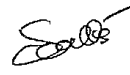

2. **Software** : Free Software App "VidyoDesktop" is available at NIC portal www.webvc.nic.in The Depots shall download the software.
3. **User-ids** : The Depot have already received User-ids and Password through www.telangan.gov.in/www.mail.gov.in from NIC, New Delhi, except Warangal(Rural).
4. **Installation** : The Service Engineer from M/s Computer India will visit each depot and install One Logitech camera along with the software.

The allotted User-ids and Password will be configured in the VDC software. The Software installation and setup shall be made available in TWO(2) Desktops at the depots as a backup. The VDC connection will establish only through Internet. The VDC setup shall be connected to the UPS power supply.

Further, the Chief Manager / Manager are requested to utilise the 40" TV / Monitor available at the Depot and arrange atleast (3) three staff to get trained about the VDC connectivity between Corporate office and Depots. M/s Computer India, Engineer will demonstrate the VDC usage to the staff. The Chief Managers / Managers shall ensure and monitor the working of VDC system every day and at any point of time Corporate office will connect to the Depot. For any clarifications / doubts the depots shall contact to the below Vendor address / MIS section at Corporate office. A user manual may be made by writting down a step-wise procedure to connect and operate the VDC.

After complete installation of VDC the Chief Managers / Managers may send Installation and Satisfactory report to the Corporate office for making payments to the Vendor.
