@@@

It is observed that number of trucks at most of the IMFL Depots, are waiting for longer time which is causing rationing of certain brands and forced to pay more waiting charges to the transporter by the suppliers. The IMFL Sales are expected to be high during the months of May and June, 2018.

In view of the above, all the Chief Managers/Managers of IMFL Depots in the State of Telangana, are requested to open the depots at 8-00 a.m. and start unloading of vehicles so as to all the required IMFL brands kept available at the IMFL Depot for billing without giving room for non-availability of a particular IMFL brand.

The daily opening and closing of the depot may be informed to the Corporate Office.

Managing Director.
